ILLUSTRATORS / ILLUSTRATION HISTORY RESEARCH EXERCISE

ASSIGNMENT:

Perform research on the subject of well-known and significant Illustrators and the general subject of illustration history through online and printed media. Learn all you can about the subject. Find and identify two specific illustrators that you would like to share their information with the rest of the class.

- **An illustrator that you feel made a significant contribution and influence the field of illustration, and well as had an influence on our popular culture. This person could come from any era.**
- **An illustrator that you feel is very talented and accomplished. You personally like their work and style.**

Email the names of your two illustrators to the instructor, along with a brief paragraph or two about the illustrator and why you chose them. If you find a website that is devoted to their life and work, or contains a section devoted to them, include that link as well. If no such website exists, gather images by downloading or scanning and have them. Upload them to Dropbox and share with the instructor.

DATE DUE:

The e-mail with the three links must be e-mailed to rwise@vinu.edu by midnight 8/30/2016. This is prior to Tuesday's class next week. Your discoveries will be presented and discussed during that class.

GRADING:

This is an exercise that will be evaluated according to the quality of research demonstrated and relevance of the illustrators submitted. The correct following of procedure and meeting the deadline will be part of the grade. Remember that exercises carry a weight of 25% of the final grade of the course.
